This is a Scrabble Game which can support 2~4 players to play at the same time. In this Scrabble Game, it includes special tiles and double challenge. After a player submitting a move, anyone in the game can challenge him/her.

In this game, there are 4 types of special tiles:

a. Boom tile
b. Reverse-player-order tile
c. Negative-point tile
d. Retrieve-oder tile: If this kind of special tile is activated, the player who submitted a move just now will be asked to play a move again.
